

SCHOOL BOARD BYLAWS

Election Campaign Restrictions

- A. Use of School Newsletters or any other Document of the School System for Campaign Literature.

Under no circumstances shall any Board member use the school newsletters of any schools, or any other document of the school system, for the publication of campaign literature of any kind.

- B. Endorsements

Under no circumstances shall incumbent School Board members solicit the endorsements of any employee of the school system in support of their election campaign. This does not prevent employees of the school system from voluntarily offering their endorsement.

Adopted by the School Board: May 9, 1995
